Bus Rapid Transit (BRT) in Oakland

Oakland needs your input on the proposed plan for BRT. Come to one of six community meetings! (see reverse) Similar to light rail without tracks, BRT features bus-only lanes, level boarding and fare payment at stations to achieve faster and more reliable service.

Oakland necesita de su participación sobre el plan propuesto para el BRT. ¡Venga a una de las seis reuniones de la comunidad! (Vea al reverso) Similar al tren ligero, pero sin rieles, el BRT ofrece carriles sólo para autobús, nivel parejo de embarque y el pago de tarifas en las estaciones para lograr un servicio rápido y más confiable.

屋崙市需要你對 BRT 建議計劃提供意見。我們將舉行六個社區會議（參看背頁），請出席其中一個。BRT 與輕鐵類似但無軌道，設有巴士專線，等高上下車，和在車站支付車費，以提供更快速和更可靠的服務。
